**COLORS**

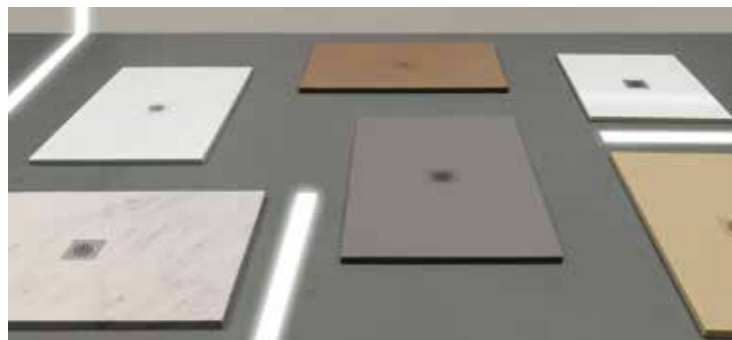

**WATERPASTE®**

The secret of Docciatre is the new glaze. Applied evenly before cooking, it contains WATERPASTE® grip, a non-slip system developed and tested in the company's research laboratory, which guarantees a feeling of safety in the shower and meets all the requirements of the DIN51097 standard.

**Maintenance Kit**

In collaboration with BonaSystems®, we have developed the WATERPASTE® maintenance kit. This product has the function to thoroughly clean any built-up dirt inside the micro suction blisters of the glaze, and unlike other widely used products, it is free of organic substances that deteriorate the slip-resistance function of the surface (maintenance is very easy and should be done as needed).

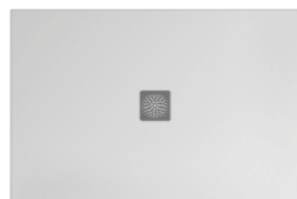

**Colors and finishes**

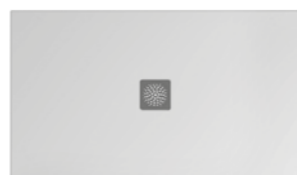

**BdC** The DOCCIATRE shower trays are available in four colors from the Bagno di Colore Collection

- CS** Castagno
- AT** Agata
- PA** Perla
- BO** Bianco opaco

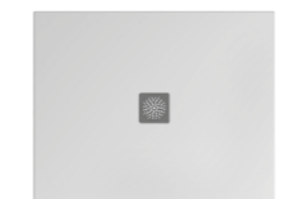

**Le Pietre** Also available in Le Pietre finishes
